IMPORTANT NOTICE: Smart Option Seller, LLC & Lee Lowell are not brokers, dealers or investment advisors. All ideas and examples discussed in the training sessions are solely for informational and educational purposes only and should not be considered personalized investment advice. Your use of any investment ideas provided herein is your responsibility and should only be made after consulting with your investment advisor. Smart Option Seller, LLC & Lee Lowell are not responsible for any investment and/or monetary losses suffered by you arising from ideas discussed in this training.

No representation is being made in this training that the use of any strategy or trading methodology will generate profits. Past performance is not necessarily indicative of future results. There is substantial risk of loss associated with trading equities and options on equities. Only risk capital should be used to trade. Trading securities is not suitable for everyone.

Equity & equity options trading can have large potential rewards, but they also have large potential risks. You must be aware of the risks and be willing to accept them in order to invest in the markets. Don't trade with money you can't afford to lose. This training is neither a solicitation nor an offer to buy/sell equities or equity options. No representation is being made that your account will or is likely to achieve profits similar to those discussed in this training.

Training can only move forward if the above conditions are agreed to and accepted below.

Thank you, and we look forward to meeting with you.
